

Call Back
Bob/Waverly

Waverly

Actually, Captain, Miss Haynes got a telegram.

Bob

What did it say? "Bob Wallace isn't the man you thought he was - leave time?"

Everybody take five, please.

Waverly

Well, I took the liberty of, ah, borrowing the wire. Have a look for yourself.

Bob

"The Regency Room..." Well, I like that. Dumping Vermont for the big time.

Waverly

Captain, I think you're making a tactical error.

Bob

All that highminded talk. What a lot of guff...

Waverly

I think she just got confused somehow.

Bob - one of the jobs of a commanding officer is knowing how to assess people IN my assessment, Miss Hanes doesn't have an ounce of guff in her. I think she's in love with you, you're in love with her, there's been some kind of misunderstanding, and if you don't go off and chase her you're a damn fool.
